- Macro Furnaces Pvt. Ltd
- NMF Equipment Pvt. Ltd.
- Barsat Engineering Works
- Escort Ltd.
- Agro Food Industries Pvt. Ltd.
- Anurag Moghe Engg.
- GKN Driveshaft India Ltd.
- Coperion Idle Pvt. Ltd.

## Major Orders

| Customer                               | Products   |
|--|--|
| Schneider Electric India Pvt. Ltd      | Mimic & PLC Panel for BHILAI STEEL PLANT for MERCHANT MILL Control Desks & PLC Panel for Degremont India, PLC Panels for Power Management System for NTPC Dadari   |
| Woodward Governor (I) Ltd.             | Turbine Control Panels for Power Plant<br>Power Management System Control Panels   |
| OSM Engg. Pneumatic Conveying Pvt. Ltd | PLC, LT Panel & MCC Panel for Ash Handling System of Janki Corporation Ltd., MCC Panel for NFL Panipat, NFL ,Bhatinda, MCC Panel for Abhijeet Infra Ltd. PLC Panel for Galient Metal Ltd.,Century Pulp & Paper Mill etc. |
| GGE Power Pvt. Ltd.                    | Power, MCC & Control Panel for Surat Muncipal Corporation,Power, MCC & Control Panel for Jaipur Muncipal Corporation, Gujrat Ambuja Exports Ltd., Ridhi Sidhi Group, Maize products, Spectrum Dyes & Chemicals Pvt. Ltd. |
| Advance Conveying Systems              | Automatic Batching Plant for Glass Industries  |
| Honey Well Automation Ltd.             | DMRC PLC Panel for Ventilation System  |
| NMF Equipment Pvt. Ltd                 | Automatic Cement Conveying System for Suvansari DAM constructed by SOMA Constructions Ltd.,  |
| Escorts Ltd.                           | Tool Room Machine Automation Control Panel   |
| Coperion Ideal Pvt. Ltd.               | Mimic & PLC Panel for Reliance Industries etc..  |
| Anurag Moghe Engg.                     | Testing Machine with National Instruments  |

### Inimitability of our products

#### Our remuneration is: **"CUSTOMER DELIGHT & CREATIVE SATISFACTION"**

We never compromise with quality and use the best components for our products like Wires from Lapp, Finolex, RR only, Accessories are of Panduit only

White marking sleeve use for ferules

Panel enclosures from Rittal & BCH, Customized enclosures are CPRI approved

Hardware of well reputed makes like Schneider, Siemens, L&T, Teknic,

Kay Cee, Salzer, Phoenix, Wago, Elemax, AE, Philips, CG, Honeywell,

Omron, Meanwell backed up with Test Certificates

Metal of Hindalco, HCL, & Tata Steel

We are CPRI Approved Enclosure manufacturer and have in house fabrication facility to provide best option for customer

We are well equipped with :- Mig Welding, Gig Welding, ARC Welding, Power Shearing, Hydraulic Bending

# PROFILE

**F**or any organization engaged in manufacturing, it is a challenge to prove itself essentially on core values, which should be attained at any cost. For VPN INDIA, these values are Learning, Innovation, Perfection, Integrity, and Community Excellence. Established in year 2002, VPN INDIA has manufactured various types of Electrical Panels for different Industries like Power & Energy, Industrial Process Automation, Petro-Chemicals, and Infrastructure Industry etc. We have in hand experience more than 20 year of industry experience including overseas work experience.

We use to allocate experienced professionals, for best fit in the industry, are committed to maintain value equity, brand equity and relationship equity for long tenure.

The quality products with advanced engineering, excellence technologies and capacity to satisfy the customer's requirement according to their variants, conditions and preferences are the key factors behind the amazing success of VPN INDIA.

We have scrambled products of varied configuration to fulfill differentiated need of our valued customer. Recently we are associated with leading corporate customers. In addition, we also serve end users with complete economical engineering solution.

Our Products Range includes

- MS Sheet Metal Fabrication
- SS Sheet Metal Fabrication
- Pneumatic Control Junction Box with IP65 Protection
- Panel Boxes as per customer specification
- On site fabrication backup

Our Panels are certified for the followings:

- Short Circuit Test 50KA for 1Sec. Degree of Protection IP65
